 - The Rashtriya Gaurav Gram Sabha Puraskar (National Award) was instituted by GOI in the year 2010 in order to devise an appropriate structure of incentives to appreciate and encourage the Gram Panchayats of the country, for outstanding performance, through effective Gram Sabhas, especially in respect of improvements in the social and economic structure of the village.
 - The main objective of instituting this award is to strengthen the institution of Gram Sabha and to highlight it as the institution for decision and social audit. It is expected that this award would strengthen this Ministry's endeavor to deepen the process of decentralization. Gram Sabha is a vibrant forum for promoting planned economic and social development of the villages in a transparent way. Gram Sabha ensures direct participative democracy and offers equal opportunity to all citizens including the poor, the women and the marginalized to discuss, critically evaluate, various serious issues that affect the socio- economic development of the village.
 - Under this award, **the Gram Panchayats are advised to prepare their own report based on the parameters laid down by GOI and forward it to State Committees.** In the previous years this award has sensitized district administration about holding meaningful and vibrant Gram Sabhas and widening their scope of discussions.
