Subject: Launch of various IT initiatives including Wi-Fi in 100 villages by Hon'ble Chief Minister on 25<sup>th</sup> December 2016.

As you are aware that National Optical Fiber Network (now being called BharatNet) is being implemented in the State of Haryana under Centre Public Sector Undertaking (CPSU) model. The executing agency for the project is Bharat Broadband Network Limited (BBNL), which is implementing it through Bharat Sanchar Nigam Limited (BSNL) in the State.

In order to achieve the vision of Digital India and Digital Haryana, the success of NOFN project is crucial and the State is committed to provide full support to complete the broadband connectivity at all the Gram Panchayats (GPs) of Haryana in the stipulated timeframe. BBNL/BSNL is targeting to cover all 6078 GP locations with NOFN connectivity by March 2017, which will give Haryana an edge to be a one step ahead of other States.

It is pertinent to mention here that Government of Haryana has decided to launch various IT initiatives on Good Governance Day i.e. 25<sup>th</sup> Dec 2016. On this occasion, it has been planned to launch Wi-Fi in 100 villages by Hon'ble Chief Minister, Haryana. CSC-SPV has already installed Wi-Fi infrastructure at 119 GP locations on NOFN (List attached for your reference).

To make this a success it is to ensure that uninterrupted power supply and access to these locations even after the routine working hours in schools, GPs etc. wherever the NOFN has been terminated be given to BSNL /BBNL /CSC-SPV officials for making the Wi-Fi link active consistently.

Thus all the DDPO/BDPO/Sarpanch of the concerned GPs under your control be directed accordingly for making this mega event a success on 25<sup>th</sup> Dec 2016.
