

Salient Features of Mawlynnong Village

Mawlynnong is a village located in East Khasi Hill district of State of Meghalaya. Some of the salient features of this village are enlisted below:

1. Mawlynnong is considered as one of the cleanest village in India. It was awarded the prestigious tag of '**Cleanest Village in Asia**' in **2003 & 2005** conferred upon by India Discovery Magazine.
2. Mawlynnong has toilets in every house built under Nirmal Bharat Abhiyan.
3. There are bamboo waste baskets on the road to ensure there is no littering.
4. The village has a 100% literacy rate.
5. Recently, the village has also installed around **30 solar street lights**. These street lights have been put at the initiative of Community & Rural Development, Meghalaya partnered by Infrastructure Development Finance Company Foundation (IDFC) as part of its Corporate Social Responsibility (CSR) support.
