N-19011(16)/8/2016-e-Panchayat

Dated the 3rd August, 2022

Dea Sri Singh,

This is in reference to letter of even number dated 8 April 2022 from Secretary, MoPR regarding the rollout and implementation of eGramSwaraj – GeM Interface.

2. As we have started bringing the State Panchayati Raj departments up to speed with this new initiative, a massive capacity building program is being rolled out. This Ministry has already issued relevant directives and also conducted meetings with all States to ensure speedy on boarding on eGS-GeM platform. States have also shown a keen interest to adopt this feature. However, it has been noticed that the concerned GeM business facilitators and training faculties at the States are not being able to confirm definitive timeline for the training(s) to be conducted as most of them are currently engaged in another initiative of GeM with Ministry of Co-operation. I would also like to highlight another issue that queries/bugs reported by Panchayat users while working on MoPR specific features in GeM take a lot of time to get resolved.

3. It is therefore imperative to take note of the aforementioned issues as both MoPR and GeM are running a tight deadline to roll out this initiative on a Pan India level by September 2022 and any delays during this phase will adversely impact the same. As you are already aware that the project is being monitored very closely by the Prime Minister's Office, it is requested that suitable resources at Central and State level are deployed without delay so that the desired timelines can be achieved.

This item may be accorded high priority

Yours sincerely,
