D.O. No. N-19011(16)/8/2016-e-Panchayat

Dated: 11th March 2022

Dear Madam / Sir,

As you are aware, the Ministry of Panchayati Raj has been striving for bringing transparency in the activities of Panchayats to ensure optimal and targeted utilization of funds. MoPR is further pursuing the progress of implementation of BharatNet project at the Panchayat level.

2. Due to ever increasing adoption of online applications viz. eGramSwaraj-PFMS Interface and AuditOnline etc. these applications hold huge volumes of data being fed by the Panchayats. However, it is being noticed that the data available is not being optimally utilized for planning and monitoring purposes. A detailed analysis of these data points shall help in strategic interventions and provide inputs for targeted policy formation. In this regard, detailed Gram Panchayat level data analysis has been conducted by MoPR on:

1. Fund flow utilization 2. AuditOnline performance and 3. BharatNet connectivity. You may refer to Annexure I for viewing data on performance on above indicators panchayat-wise, which may be used to timely interventions.

3. MoPR has enclosed data in Annexure I which will provide a granular view of the data in district wise format. Further, GPs which need intervention on various parameters have been color coded for ready reference. Accordingly, these reports may be utilized by the State and District authorities to monitor the performance of the Gram Panchayats on a monthly/fortnightly basis.

4. Also State/ District/ Block/ Panchayat officials should use the data available on EGS-PFMS portal for planning and monitoring purposes for programmes being implemented.

Further, any remedial action thus taken in this regard may be duly intimated to this Ministry as well.

Respectfully,

Yours sincerely,

(Dr. Chandra Shekhar Kumar)
