TO WHOMSOEVER IT MAY CONCERN

The Ministry of Panchayati Raj in its endeavor to enhance transparency and accountability has been constantly striving to put in several ICT Initiatives for providing ease of governance particularly at the grassroots level. During the last few years, the Ministry has rolled out several initiatives- e-Gram Swaraj, Integration of eGramSwaraj with PFMS, State Treasury systems, GeM, AuditOnline, Covid Dashboard, Vibrant Gram Sabha, Rural Bazaar, LGD etc. There have been continuous enhancements to these applications as well based on the feedback received from various stakeholders.

Smt. Manie Khaneja, former DDG-Panchayat Informatics was a continuous part of the team that had rolled out all such initiatives. Her stint with MoPR lasted more than a decade where she led the rollout of multiple applications which were inaugurated and appreciated by the highest authorities in the country. She has excellent team leading capabilities where she oversaw implementation of many initiatives during the pandemic also. She guided the team really well during challenging deadlines without compromising on output quality.

I take this opportunity to place on record high appreciation for the efforts undertaken by her in realizing various initiatives of this Ministry and wish her all the best for her future endeavors.
